

CHALET CLUB 1972 SCHOONER CRUISES

Sunday, July 9 – Saturday, July 15 – “Bill of Rights”
Sunday, July 30 – Saturday, August 5 – “Shenandoah”

Capture the Romance of the Past . . .

*Experience the taste of true cruising under sail
into New England's historic seaports.*

*on two of America's finest topsail schooners,
each a recently built accurate reproduction*

*of a vessel that sailed in the 1850's . . .
anchor in a different harbor
every night . . . follow the wind
and tide . . . Take your turn at the
helm, plot a course, hoist a sail,
or simply relax in
the summer sun . . .*

*the casual atmosphere on board
will put even the least experienced sailor at ease.*

Under the personal direction of Club President Buddy Bombard, whose 26 years of yachting experience has included 4 America's Cup defenses, 2 Trans-atlantic Races and 4 Bermuda Races, these one week schooner cruises have been specifically chosen and designed to insure your complete relaxation and enjoyment.

*When port is made, one may go ashore,
collect shells on the white-sand beaches,
swim in the surf, or remain on board
to reminisce on the long gone era of "the days
before steam." Passengers are encouraged
to bring musical instruments, cameras and
informal, comfortable clothes.*
