King Ludwig II's Castles - In Bavaria, Germany

Day 1

Dine and overnight at the Villa Jagerhaus at the foot of legendary Neuschwanstein castle – the single most important tourist attraction in all of Germany.

Day 2

Guided tour of Neuschwanstein castle and see exquisite Linderhof, the king's favorite – his smallest, but most sumptuous palace. Overnight at Residenz Heinz Winkler, a richly restored 600 year old coaching inn, and feast in its elegant 3 star Michelin dining room.

Day 3

Visit to Herrenchiemsee, King Ludwig's most elaborate castle. It was to be a copy of Louis XIV's Versailles. We will have lunch on the island beside the castle. In the afternoon we'll motor to dine in Schloss Fuschl.
